English German Dictionary (Lite) (pronunciation in brackets) - Features: - Works offline, no internet connection needed - Free text to speech - QR code generator - Online dictionary (translations for more than 500,000 words) - List of words in the dictionary (by category, country, and technical words) - Typing history - English (UK) English (US) English (Canada) English (Australia) English (New Zealand) English (Singapore) English (India) English (UK,Ireland) English (UK,Scandinavia) English (UK, Scotland) English (UK, Wales) English (UK) English (Ireland) English (UK,Scotland) English (UK, Wales) English (Scotland) English (England) English (French) English (Italian) English (German) English (Spanish) English (Russian) English (Portuguese) English (Dutch) English (Greek) English (Hungarian) English (Polish) English (Czech) English (Slovak) English (Romanian) English (Turkish) English (Chinese) English (Japanese) English (Korean) English (Indonesian) English (Malay) English (Thai) English (Vietnamese) English (Arabic) English (Persian) ***DRM-FREE: all our app purchases include our DRM-FREE version, if there is no DRM.*** Why is it DRM-FREE? In the era of restricted internet-access and geo-blocking, legal Steam-downloadable PC games which previously were sold with a proprietary copy protection software, is a growing problem. When you buy a game, you have the obligation to copy the digital files to your computer, and sometimes you have to do it again, when the company decides to change the game. If you have bought your most wanted PC game on Steam, and then suddenly access to it was restricted for some reasons, do not lose time and download the DRM-free version of the game from our free apps. This version of the app won't keep you from Steam, as it is DRM-free, and you can still download your games and play them from the PC. Moreover, if you live in the countries that don't allow access to Steam, you can use your free app to read all your favourite games without access to Steam. Features: - Choose from different dictionaries (English - German, English - English, English - French

What's New In?
