What's New In Icons: Typewriters?

These icons are all digital in nature and can be used for personal or commercial use. They are available in PNG format and include a Mac folder for easy installation. (Windows users: If you save these to a file and set it to open with Acrobat, the resolution may be a bit low.) All fonts include personal use, so you can make your own digital printouts. These fonts are FREE for personal use. However, I do ask that you let me know if you would like me to include your name in any future versions of this font. I can add your name and link to your website. Thanks! These Typewriters come in three files – blue, red, and yellow. They can be used for personal or commercial use. The download includes PNGs, ICNs, and Mac folders. I hope you like it! NOTE: Free for personal use ONLY.
