In 1944, the people of Europe are looking to reclaim their freedom. Victory comes from fighting for every last drop of blood, and not a drop will be spared. The Player is in command of a Sherman tank and allies in the war against the Axis forces. Many games are known for the strategy involved, but Armored Warfare looks to build a game with a new dimension of tactical firepower. The battlefield is one of scale, and the game gives you the tools you need to crush your enemy like never before. Enter a game that introduces a new gameplay experience and challenge the limits of destruction.
